7th December 2011

Dear Parents

The Annual Report of the Governing Body 2010 – 11

The Annual Report to Parents of the Governing Body of Llangatwg Community School is now available for you to read. This report summaries the action taken by the Governing Body on your behalf over the last twelve months.

This year the report is being made available to all parents via the school's website. If you would like to read the report, download it or print your own copy, please visit www.llangatwg.org.uk/

It is usual for the Governing Body to hold a Parents' Meeting to discuss this report. However, this year the school will be subject to a full inspection and all parents will be invited to a Parents' Meeting to give their views of the school to the registered inspector. In these circumstances, school governors feel that it is not necessary to hold such a meeting at this time.

However, if any parents would like to discuss the report or any aspect of the school's work they should contact Mrs L Davies, Clerk to the Governing Body on tel. no. 01639 634700 who will make arrangements for this to happen.

Yours sincerely

D. W. Davies

Councillor D W Davies
Chair of Governors
